## RENEWAL REGISTRATIONS

A list of books, pamphlets, serials, and contributions to periodicals for which renewal registrations were made during the period covered by this issue. Arrangement is alphabetical under the name of the author or issuing body or, in the case of serials and certain other works, by title. Information relating to both the original and the renewal registration is included in each entry. References from the names of renewal claimants, joint authors, editors, etc. and from variant forms of names are interfiled.

# TITLE INDEX

An index, arranged by title, to the current and renewal registrations listed in this issue. Omitted are titles of telephone directories which can be found only in the main section under the name of the author, who is usually the claimant. Omitted also are titles of serials and other works which are entered under title in the first two sections. Below each title is the heading, sometimes in abbreviated form, under which the main entry is to be found in the current or renewal section. Renewal registrations are distinguished by the symbol "(R)".
