TITLE INDEX

An index, arranged by title, to the current and renewal registrations listed in this issue. Omitted are titles of telephone directories which can be found only in the main section under the name of the author, who is usually the claimant. Omitted also are titles of serials and other works which are entered under title in the first two sections. Below each title is the heading, sometimes in abbreviated form, under which the main entry is to be found in the current or renewal section. Renewal registrations are distinguished by the symbol "(R)"
